DRAFT/DELIBERATIVE

Here's a summary of all critiques found (thanks to Alex for compiling from BLM). i started "answers" - some are strawmen to stimulate critical thinking.

by fri we probably won't have answers to every row, but let's continue to focus on the one's we discussed today, and possibly add other answers as we go.

Alice - row 34 down is all about data.

i hope this helps!

jose
